

Welcoming Dr. Mohan Doss

SRI-JHC Joint Symposium 2019

Why Radiation Hormesis Now ?
Low-Dose Radiation Is Good for Health !

Monday, July 8, 2019, 13:30 – 18:00

Admission ¥2,000

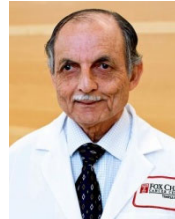

Place: National Diet Hall, Kensei Kinen Kan
In Nagata-cho

- ◆ **Opening Address: Hideaki Kase,**
Chairman, Society for Radiation Information (SRI)
Chairman, Japan Hormesis Council (JHC)

- ◆ **Dr. Jun Takada, D.Scs. (Professor, Sapporo Medical University)**
Subject: "Fukushima LWR Event 2011 is Level 6 in International Nuclear Event Scale - Radiation and Civilization: Japan's mission of spreading the right knowledge of radiation"
Deputy Chairman of both SRI & JHC. Investigator of nuclear affected areas in the world such as Russia, Belarus, Ukraine, etc. and focus on revival of Fukushima.

- ◆ **Dr. Mohan Doss, PhD, MCCPM (Medical Physicist and Professor, Diagnostic Imaging, Fox Chase Cancer Center, Philadelphia, PA)**
Report on the Progress in Overcoming the Use of the LNT Model in Radiation Protection
A Founding Member of Scientists for Accurate Radiation Information (SARI),
President, XLNT Foundation

- ◆ **Dr. Hironobu Nakamura, MD (Professor Emeritus, Osaka University)**
Subject: "Radiation Hormesis and Mitochondria"
Deputy Chairman of SRI, President of JHC
ICRP Committee 3 Member, Expert in medical treatment of cancer. President of Saito Yukoukai Hospital. Author of many publications such as "Radiation Hormesis for Health Longevity", "Minimally Invasive Treatment of Liver Cancer", "Radiation Protection in Interventional Radiology", "Live Long by Radiation Hormesis".

Reception with Dr. Mohan Doss 19:00 – 21:00

Hotel "Zenkoku Choson Kaikan" in Nagatacho (Hirakawacho) near LDP Headquarter

For further details, contact: herofujita7@yahoo.co.jp / 080-5543-0111 Hero Fujita (Secretary General SRI/JHC)

Co-hosted by: Society for Radiation Information (Phone 03-3519-4366 FAX 03-3519-4367)
Japan Hormesis Council (Phone 03-6205-4760 FAX 03-3519-4367)
